

Statewide Transportation Information

Dear Colleagues,

Students from participating school districts who are eligible to use the statewide transportation system next year must annually request transportation through the statewide website at: <http://ride.ri.gov/StudentsFamilies/AdditionalResources/StudentTransportation.aspx>. The website is now open to take transportation requests for Fall 2019. **STUDENTS WHO ARE CURRENT RIDERS ALSO NEED TO REGISTER.** Please incorporate into your registration process, information about the link to the website. If parents have problems with the website or do not have access to a computer, they may contact us at 401-222-5024.

Statewide Transportation would like to inform you that open enrollment and new transportation requests are available throughout the entire school year. The July 31st deadline is only enforced if you require service on the first day of school.

The deadline for fall transportation requests is July 31, 2019. Request forms submitted on or after August 1, 2019, will receive the closest point of pick up or a depot stop location for a temporary bus stop.

For students who receive a temporary stop assignment, a permanent bus stop will be issued after September 20, 2019.

Please contact our office at 401-222-5024 or swplanningrequest@ride.ri.gov if you have any questions.

Thank you,

Nicole Martin
