*The bundled rate is an option only when chosen between receipt of your contract and May 1st. This will help us anticipate enrollment and staffing needs for the WOW After Care program. Should your aftercare needs change after that time, you will still be able to sign up for any days you choose, but at the regular price of the program. Please note that the bundle includes daily WOW AfterCare only; additional enrichment programs, including Wheeler vacation camps, will be priced separately. Additionally, 4th and 5th graders will still be able to attend supervised study M-Th until 4 pm without charge and without enrolling in full aftercare bundle program. Please reach out with any questions to Bob Rojee, Director of Auxiliary Programs, at bobrojee@wheelerschool.org.
